As there are 24 disciples printed on the school seal, we as students and graduates are challenged to embrace, study, mediate, rightly divide and share the word of truth on a 24 hour basis.

March 28, 2018

Mr. Monroe Woods
N.A.A.C.P.
8620 Lake Hardeman Rd.
Saulsbury, TN 38067

Dear: Mr. Woods,

First, I'll take this opportunity to introduce our organization. We are a 501 (C).3, Bible College, accredited by the National Bible College Association. We opened our doors in 2012.

Several states across the U.S. currently have M.L.K. Commemorative license plates to honor one of our greatest heroes. I observed that among the hundreds of personalized Tennessee license plates, there was not one for Dr. King. I believe a M.L.K. license plate for Tennessee would be a good fit and beneficial for the county and the state.

State Representative Johnny Shaw from the 80th Dist. helped us to get HB 102/SB 317 introduced last year, which got signed by Gov. Haslam.

The State requires that we get 1,000 residents to purchase the license plates before TDOT will start to produce the plates for purchase. We have begun the petition process, along with some preliminary design, however time to get signatures and commitments under HB 102/SB 317 expires June 1, 2018.

Again with the help of Representative Shaw, HB1521/SB2693 has passed the house and is waiting on approval from the senate. The MLK update is in Amendment #4-55-4-201 (h) (1) extended until July 1, 2019. We need your help with getting 1,000 signatures and \$35.00 commitments to pre purchase license plates.

Committed to Growth & Progress,

Viscen Charles Morrow

President, D.E.C.edu. Bible College/
Hardeman County Commissioner
Pos. 2, District 3
Ps: See attachments for more details.
